## DEVELOP AN ADVANCED AWARENESS OF HOW WE AND OTHERS THINK, LEARN AND COMMUNICATE

Through the Build a Better Business workshops and mentoring, our team of expert business mentors guide you through critical periods of business development and arm you with the knowledge, skills and confidence you need to clarify your ideas and move into the next stage of business growth.

### WHAT YOU WILL LEARN

---

With the right mix of peer to peer support and hands-on training from your mentor who knows what it takes to grow a successful business, you will learn how to:

- Upgrade your understanding of business finances and be empowered to improve business profitability
- Improve, innovate and grow your business
- Optimise your business with the latest online business planning
- Create a practical, user-friendly business action plan, the must have tool for your business
- Develop an innovative digital marketing plan and grow your connection with customers
- Create new actionable ideas and grow your small business
- Discover your customers in an entirely new way
- Find focus with productivity tools and techniques
- Reduce your stress by actioning a business improvement audit on your business
- Upgrade your mindset and be empowered as a purposeful leader in business

### YOU WILL:

---

- Create a safety net for your business
- Be given the tools that will assist your business

### WHAT'S INVOLVED?

---

- Practical and fun exercises and activities that will get you thinking, innovating and uncovering ways that you can improve your business now
- Interactive discussions and learning that will enable you to grow as a business leader

### HOW IT IS DELIVERED

---

Two convenient study options to choose from:

#### **Group mentoring sessions:**

- 4x3 hours face-to-face group mentoring workshops
- Online learning, support and networking
- 2 hours of one-on-one mentoring to assist with implementation of the business action plan

#### **One-on-one delivery sessions:**

- 5 x 1 ½ hours face-to-face sessions
- Online learning, support and networking
